FALL BALL 2026

WHAT THIS WEBSITE IS

This is the official home of San Antonio Stingers Basketball (Stingers210) — a development-first youth program for grades 1-6. Families use this site to register players, opt in each season, order team gear, view the practice and game schedule, pay the monthly gym fee, and track everything their athletes still need to complete.

"This is not about chasing a ring; it's about development, reps, and player experience."

WHAT WE NEED FROM EVERY FAMILY

1. Create your family account
One adult signs up and shares the family code so both parents and grandparents see the same athletes.

2. New players register / returning players opt in
New player registration is required. Returning players answer the Returning Player Poll.

3. Order uniforms & gear
Official jersey set is mandatory for new players. Grey squad also needs the additional Grey set.

4. Pay the monthly gym fee
$25/player per month, due the 25th of the preceding month — covers the Sunday indoor court.

5. Join the Stingers BAND group
All team communication happens in BAND. Set your display name as "Parent Name (Athlete Name)".
